Some words have a special meaning in this Product Disclosure Statement and Financial Services Guide ("PDS/FSG") and are shown in bold italics throughout. These words are listed under DEFINITIONS at the end of this document.

This PDS/FSG is designed to help **you** make an informed choice before deciding to buy this **policy**. If **you** buy this **policy** this document forms part of the contract between **you** and **us**.

Please note that any recommendations or opinions in this document are of a general nature only and do not take into account **your** objectives, financial situation or needs.

This PDS plus the Policy Schedule forms **your** Consumer Insurance Contract.

All amounts mentioned in this PDS/FSG are GST inclusive.

We can only insure a **gadget** that is:

1. purchased new or refurbished from an **Australian** GST registered company and supplied with a **proof of purchase**;
2. **registered** and appears on **your** Policy Schedule; and
3. is no more than 6 months old at the time of purchasing insurance for the **gadget**.

Please note: The **gadget** must be in good condition and in full working order at the time of initial purchase of the **policy** or at the time of replacing a **gadget** on **your policy**.

Second hand or used **gadgets** are not coverable under this **policy**.

For the purpose of this **policy** a **gadget** can be either of the following items: a Mobile Phone or a Tablet Device (a one-piece device with a touchscreen interface and no physical keyboard).

If **you** are unsure as to whether **your gadget** is covered in the above list, please contact Switched On Insurance via email at gadget.sales@SwitchedOnInsurance.com.au.

Where **your gadget** is a mobile phone, **we** will only provide cover if the device has a functioning SIM registered at **your** address. In the event of a claim **we** will request **your** call records to prove that the **gadget** has been in use since **policy** inception and up to the event giving rise to the claim.

Protecting *your gadget*

Here are some measures *you* can take to help protect or track *your gadget* whether or not it is covered by an insurance *policy*:

We've all been there, dropping *your* device is a sure-fire way to damage *your* device. However, *you* can protect against this by simply buying a case, which will go some way to keeping *your* device safe.

Don't forget to also keep a record of *your* mobile phone's IMEI number, this is unique to *your* handset, and should the worst happen, it will allow *you* to be reunited with *your* device. *You* can find this by typing **#06#* into *your* handset's keypad.

For added security *we* recommend adding a pin code or password to all *your* devices. This will ensure that *your* personal information remains private should it fall into the wrong hands.

There are also a variety of tracker applications which could enable *your* device to be found. Please always contact the police and let them retrieve the device, never take the law in to *your* own hands!

Always avoid using *your* device in public places in situations where *you* might be distracted, such as exiting public transport. These situations make easy targets for thieves.

Please keep **your** insurance documents safe.

When **you** purchased this insurance **policy you** selected the **level of cover** that was most suitable for **your** needs. Should **you** require an alternative **level of cover** at any point, please do not hesitate to email Switched On Insurance at gadget.sales@SwitchedOnInsurance.com.au to discuss any other options that may be available to **you**.

This insurance has been specifically designed to provide insurance protection for **your gadget** and meets the demands and needs of individuals who must be:

A Resident of **Australia**

The owner of the **gadget** or an **immediate family** member of the **gadgets'** owner

Over the age of 18

And would like to cover against:

Accidental Damage

Worldwide Cover

Liquid Damage

Accessories

Malicious Damage

Theft

Loss

Please note: There are some exceptions or exclusions relating to the cover provided by this **policy** and it is therefore important that **you** read the section headed "What **we** will not cover".

Your Duty of Reasonable Care: **You** have a duty to take reasonable care not to make a misrepresentation. When entering into an insurance contract, **you** must answer **our** questions truthfully and **you** have a duty under law to tell **us** anything known to **you** and which a reasonable

person in the circumstances would include in answering the questions. **You** have this duty until **we** agree to insure **you**. **We** will use the answers to decide whether or not to insure **you** and anyone else named on the **policy** and on what terms **we** will provide cover. It is important that **you** understand **you** are answering questions for **yourself** and these answers will affect anyone else **you** want to be covered by the **policy**. **You** have the same duty to disclose this information before **you** extend, vary, or reinstate this **policy**.

If you do not tell us something: If **you** do not tell **us** anything **you** are required to tell **us**, **we** may cancel **your** insurance **policy** or reduce the amount **we** will pay if **you** make a claim, or both. If **your** failure to tell **us** anything relevant is fraudulent, **we** may refuse to pay a claim and treat the **policy** as if it never existed.

Important Information: The **gadget** must be in good condition and full working order at the time of purchasing the **policy**. If there is evidence that the **gadget** was damaged prior to the **policy** inception date, this will result in **your** claim being refused. **We** may also inform the Police and take further legal action against **you**. **You** must be an Australian resident so that **we** can issue the **policy** and service **your** claim locally in **Australia**.

Switched On Insurance and VSC have not provided **you** with a personal recommendation as to whether this **policy** is suitable for **your** specific needs, so **you** must decide **yourself** whether it is or not. **You** have made a reasoned decision based on the information provided and can cancel this insurance at any time should **you** decide the cover is no longer suitable (please refer to the cancellation conditions contained in this **policy** for full details).

If **you** have any disability that makes communication difficult, please tell **Switched On Insurance** and **they** will be pleased to help.

POLICY TERMS AND CONDITIONS

This part of the Product Disclosure Statement (PDS) tells **you** everything that is covered and what is not covered. It must be read in conjunction with **your** Policy Schedule. These documents plus any amendments to and any applicable supplementary PDS make up the contract between **us** and **you**. Please keep this document together with **your** Policy Schedule in a safe place in case **you** need to read them again or make a claim.

If any of the details are incorrect, please contact Switched On Insurance immediately via email at gadget.sales@SwitchedOnInsurance.com.au.

Your Policy Schedule tells **you** the **registered gadget** which is covered under this **policy**. If any of the details are incorrect, please contact Switched On Insurance immediately via email at gadget.sales@SwitchedOnInsurance.com.au.

This document, combined with **your** Policy Schedule, certifies that in return for payment of the premium **we** agree to insure **you** in accordance with the terms and conditions contained in these documents.

This insurance **policy** provides insurance for **your registered gadget** whilst **your policy** is in force, as shown in **your** Policy Schedule, subject to the terms, conditions, and limitations shown below.

Period of cover

The **policy** is a 12 month renewable **policy** where **you** have the option to pay for **your** premium annually or monthly by direct debit from a bank account or credit card **you** nominate. **Your** choice will be confirmed on **your** Policy Schedule. The due date for payment of the annual premium or monthly instalment will be specified on the Policy Schedule.

If **you** pay **your** premium annually and **you** do not pay by the due date, **we** will give **you** a written notice of cancellation of **your policy**.

If **you** pay **your** premium by monthly instalments and **you** do not pay the first instalment by the date it is due, **we** will give **you** written notice of cancellation of **your policy**. For any other monthly instalment, if an instalment remains unpaid for one month after it is due, **your policy** will be cancelled at the end of that one month period. If an instalment remains unpaid for 14 days after it is due, **we** will refuse any claims for incidents that occur from this date unless **you** settle the outstanding balance.

An instalment is unpaid if it is dishonoured, rejected, not received or Switched On Insurance are otherwise unable to deduct it from the nominated credit card or account. Should any premium(s) fall into arrears due to non-payment, Switched On Insurance will automatically re-attempt to collect any outstanding premium(s).

If **you** chose to pay annually or monthly, **your** insurance starts at the time of purchase, renewal, or **policy** start date, whichever is later, and lasts for a period of twelve months provided **you** pay **your** premium when it is due. The premium **you** pay is determined by **your gadget** (the type, make, model and value) and **level of cover** selected and whether **you** pay annually or monthly as specified at the time of purchasing or renewing the insurance. **Your** premium also includes amounts that take into account **our** obligation to pay any relevant compulsory government charges, taxes or levies (e.g. GST and Stamp Duty) in relation to **your policy**. These amounts are included in **your** Policy Schedule as part of the total premium.

All premium collections will be administered by Switched On Insurance.

Claims Procedures

How to make a claim:

In the event of any incident likely to give rise to making a claim, **you** must notify the **Claims Administrator** on 1300 561 098, as soon as possible following the discovery of the incident (or in the event of the incident occurring outside of **Australia**, as soon as reasonably possible upon **your** return to **Australia**).

Where there are exceptional circumstances causing **your** delay in reporting **your** claim and where there is no additional loss to **us**, **your** claim may still be considered.

You must: (Failure to observe these may invalidate **your** claim)

- ✍ Not attempt to repair the item **yourself** or use an unauthorised repairer or this will invalidate the cover.
- ✍ complete and return any claim form or documents as required by the **Claims Administrator** as soon as possible following the discovery of the incident.
- ✍ Pay the **excess** as requested by the **Claims Administrator**.
- ✍ provide details of any other contract or insurance that may apply to the **gadget** including, but not limited to, household insurance (where appropriate a rateable proportion of the claim may be recovered direct from these Insurers by **us**).
- ✍ provide the **proof of purchase** of the **gadget** for which **you** are claiming. Such **proof of purchase** must evidence that **you** own that particular **gadget**, which may include the IMEI number or serial number (where applicable in respect of mobile phones and some tablet devices) and other identifying details where appropriate.
- ✍ provide the **proof of usage** (in respect of mobile phones) from **your** Network that confirms the mobile phone has been in use since **policy** inception and up to the event giving rise to the claim.

Repair and Replacement Equipment

- ✍ In the event that **your** claim is authorised, and **your gadget** is deemed beyond economical repair and will therefore have to be replaced, **we** will endeavour to replace it with a **gadget** of an identical specification or the equivalent value taking into account the age and condition of the **gadget**. Where **we** replace the **gadget**, the replacements may be refurbished (not brand new). This is not a new for old insurance policy. (Gift cards or vouchers may be used as an alternative method of claims settlement at **our** full discretion).
- ✍ Where **gadgets** presented for repair may be replaced by refurbished goods of the same type rather than being repaired, the refurbished goods come with a 12-month warranty. Refurbished parts may be used to repair the **gadget**. Repairs come with a 3-month warranty.
- ✍ Where **we** send **you** a replacement or repaired **gadget**, this will only be sent to an address in **Australia**.

- ✍ Please note: It may not always be possible to replace **your gadget** with the same colour or finish, where this is not possible an alternative colour will be provided.
- ✍ Where replacement equipment has been issued, the original **gadget** becomes **our** property and must be returned to the **Claims Administrator** immediately. Please call the **Claims Administrator** on 1300 561 098 and they will provide details for its return.
- ✍ If **your** existing **accessories** are not compatible with the replacement item that **we** have provided, **we** will cover the cost of replacing the **accessories**, on production of **your proof of purchase** for these.

Limit of Liability

Our liability, in respect of any one claim, will be limited to:

- ✍ The replacement cost of each **gadget** being claimed for and, in any event, shall not exceed the maximum liability for each **gadget** as shown on **your** Policy Schedule or the current market value of each **gadget**, whichever is lowest.
- ✍ **Our** liability, in respect of **accessories** will be limited to the replacement cost of the **accessories**, subject to a maximum of, either the **purchase price** or \$50, whichever the lesser. This is subject to a valid claim for **accidental damage** of **your gadget** where the **accessories** are damaged at the same time as **your gadget**.

Average Clause

Where the sum insured by **you**, as detailed in **your** Policy Schedule, is less than the **purchase price** of the **gadget** the amount **you** are able to claim will be calculated as follows:

Amount of Claim = Actual Loss × (sum insured / **purchase price**)

Example:

If **your gadget** was purchased for \$1000 but insured with a value of \$500, 50% of its real value, **we** will only be liable to pay 50% of the claimed amount.

Fraud

We employ a dedicated team of fraud specialists. If any fraudulent or misleading claim is made or if any fraudulent or misleading means are used under this insurance, **you** will not be allowed to continue with **your** claim and **your policy** will be cancelled with immediate effect and no refund will be returned.

The **Claims Administrator** will be entitled to instruct an investigation into **your** claim and recover any benefit paid and costs incurred as a result of any such fraudulent or misleading claim. The **Claims Administrator** may also inform the Police and/or any law enforcement agency about the circumstances of any fraudulent claims. **We** may also prosecute those who make fraudulent or misleading claims.

Cooling Off Period

You may cancel the insurance within 21 days of receiving the insurance documents. Should **you** decide the insurance is no longer appropriate or required, please contact Switched On Insurance via email at gadget.sales@SwitchedOnInsurance.com.au. **You** will receive a full refund of any premium already paid provided that no claim has been made and **you** do not intend to make a claim.

After the Cooling Off Period

If **you** chose the monthly pay option:

You can cancel **your** cover at any time by contacting Switched On Insurance via email at gadget.sales@SwitchedOnInsurance.com.au. If **you** cancel following the 21-day cooling-off period, **your** cover will continue until the end of the period for which **you** have already paid. There will be no refund of premium due as the premium paid will have been in respect of the cover already received.

If **you** chose the annual pay option:

You may cancel **your** insurance at any time by contacting Switched On Insurance via email at gadget.sales@SwitchedOnInsurance.com.au. **Your** cover will terminate upon receipt of **your** notice of cancellation. **We** will then calculate the proportionate premium for the period that **you** have not been insured, provided **you** have not made a claim during the period of insurance. If a claim has been made during the period of insurance, no refund of premium will be due.

Cancellation by **us**

We may cancel this **policy** only for the reasons permitted by the Insurance Contracts Act 1984 (Cth). If so permitted to cancel the **policy** **we** will do so by giving **you** notice in writing in accordance with the Insurance Contracts Act 1984 (Cth).

If **we** cancel cover under **your policy**, then no further premium will be payable by **you**. **You** will continue to receive any benefits for a valid claim if **your** claim incident date was prior to the date **your policy** expired.

Mid-Term Adjustments

Should **you** decide to replace **your gadget** with a new **gadget** whilst **your** insurance is in force, **we** will consider transferring the benefit of the insurance subject to the item remaining within the same premium banding as **your** original **gadget**. **You** must advise Switched On Insurance via email at gadget.sales@SwitchedOnInsurance.com.au of the make, model and serial number/IMEI before **you** make any subsequent claim and in the event of such a claim **you** will need a **proof of purchase** showing details of the new **gadget**. The **gadget** must be in good condition and full working order at the time of adding the new **gadget** to the **policy**.

Please note: When replacing an existing insured **gadget** with a new **gadget** the terms and conditions of the insurance **policy** for the new **gadget** will apply exactly the same as if **you** were purchasing a brand-new **policy**.

In the event that any of **your** personal details change, such as address, email or contact numbers, please ensure **you** contact Switched On Insurance via email at gadget.sales@SwitchedOnInsurance.com.au as soon as possible in order for **your** details to be updated and to prevent any delays when making a claim. Quote **your** existing **policy** number.

Automatic Renewal of **your policy**

You will be contacted at least 30 days before the annual renewal date of **your policy**, and **we** will tell **you** if there are any changes to **your** premium or the **policy** terms and conditions (which will only ever apply at **your** next renewal date). **We** will then renew **your** insurance unless **you** advise **us** otherwise.

Your premium will continue to be collected by the method chosen by **you** at the time of the initial purchase.

If **your** payment details have changed, **you** can contact Switched On Insurance via email at gadget.renewals@SwitchedOnInsurance.com.au or visit www.switchedoninsurance.com.au and log into "My Account" to amend **your** details. **You** can advise Switched On Insurance about any changes to **your policy** details at any time via email at gadget.renewals@SwitchedOnInsurance.com.au.

If **you** do not want to auto renew **your policy**, **you** just need to contact Switched On Insurance via email at gadget.renewals@SwitchedOnInsurance.com.au or via the contact details provided in the renewal notice.

Unless **you** advise **us** to the contrary, **we** will automatically renew your **policy**.

If **we** are unable to collect **your** renewal premium **your policy** will lapse and **we** will advise **you** accordingly.

If **we** elect not to offer **you** a renewal, **we** will contact **you** at least 30 days before the annual renewal date advising **you** that **we** will not be offering to renew **your policy**.

What to do if **you** have a complaint or feedback

Should **you** have a concern relating to any area of **our** business or **your policy you** may request that it be dealt with by the supervisor or manager directly responsible for that area.
